Total: 114

Fulbright Finland Foundation

The Fulbright Finland Foundation is an independent not-for-profit based in Helsinki, Finland. With the purpose of promoting a wider exchange of knowledge and professional talents through educational contacts between Finland and the United States, the Foundation collaborates with a range of government, foundation, university and corporate partners on both sides of the Atlantic to design and manage study and research scholarships, leadership development programs and internationalization services.

The Foundation supports the internationalization of education and research in Finland, and helps U.S. and Finnish institutions create linkages. Under its Internationalization Services the Foundation organizes themed study tours to the U.S. for Finnish higher education experts, runs the highly popular Fulbright Speaker Program, the Fulbright Dialogues series, and the Transatlantic Roundtables, as well as organizes several national Fulbright Seminars every year.

The Foundation is funded by the Finnish Ministry of Education and Culture, the U.S. Department of State, the Finland-America Educational Trust Fund, private foundations, Finnish and U.S. higher education institutions, alumni of the Fulbright Finland Foundation programs, and private donors. Over 70 % of the Foundation's core funding originates from Finland, and advancement, fundraising and sponsored grants are a central part of the operation. A key strength of the Foundation is the consistent strategic engagement of the alumni. Since 1949, over 6 100 students, scholars, teachers, artists, and professionals have participated in our exchange programs – over 4 000 from Finland and over 2 100 from the U.S. Representing all fields in the arts, sciences, and the society at large, grantees and alumni are vital to the Foundation's vision: *empowering minds to find global solutions to tomorrow's challenges*.

The Board of Directors of the Fulbright Finland Foundation consists of eight members appointed by the Finnish Ministry of Education and the U.S. Embassy in Finland. The U.S. Ambassador to Finland serves as the Honorary Chair of the Board. The Foundation office is located in Helsinki. The Foundation is managed by the CEO together with 10 staff members.
