

Use this form to provide proof of funding from a family member. This form is needed in all cases when funding is provided from an account holder other than the J-1, including the J-2. All sections are required. Attach a copy of the family member's official bank statement (which is not older than 90 days and states the family member's name) and combine as one pdf. Bank statements can be in foreign currency but any additional letters must be translated into English. Upload to the IIE Portal under the appropriate category.
