

ARRIVAL ORIENTATION PROGRAM

For U.S. Fulbright Scholars and Students

August 22-25, 2022 Helsinki, Finland

#FinnishWelcome

FULBRIGHT FINLAND
FOUNDATION

Welcome to Fulbright Finland!

Dear Fulbright Awardee,

On behalf of the Fulbright Finland Foundation Board of Directors and the staff team, it is my great pleasure and privilege to welcome you to Finland.

With your 2022-23 award, you are joining the community of over 6 000 Fulbright Finland Foundation grantees and alumni since the inception of our programs in 1949.

Among the nearly 160 Fulbright programs around the world, the Finnish-American program is unique. It is based on a history unlike any other, and in the present day it distinguishes itself internationally for its exceptionally broad funding and partnership network. We are proud of our program and we are so pleased to welcome you to our community of leaders.

The Fulbright year in Finland begins with an orientation seminar in Helsinki. The most important focus of the on-site orientation is to plug you in to the important local networks, and give you an opportunity to meet face-to-face with each other and with our key partners and leaders in education and society. This is why we have given you

most of the factual information already in advance through the pre-assignments, the web-based Fulbright Finland Guide for coming to Finland, and the Online Meetings. We hope you have taken the time to thoroughly familiarize yourself with the advance readings and materials, because the seminar starts from where these resources left off. It dives deeper into selected key topics, and strives to give you the direct contacts and connections that will help you hit the ground running! Make the most of it!

I encourage you to take an active role in the week's program. It is your questions and comments that will help steer the discussions to be helpful to you specifically, and we look forward to lively and timely discussions with you. Once again, welcome to Finland!
Lämpimästi tervetuloa Suomeen!
