Please always have the instructions at hand while filling in the application form. In case there is a difference between the instructions in the online form and the instructions provided in this leaflet, please follow the instructions in this leaflet for Finnish candidates.

Please remember that it is the applicant's responsibility to make sure all required items are submitted by the application deadline.

The application is supported by all modern browsers. We highly recommend that you use a current version of [Google Chrome](#), which supports Windows, Mac, and Linux platforms.

Prior to starting an application, please complete the following steps:

### **Step 1: Learn requirements for submitting an application**

Before you begin an application, contact the Fulbright Program Office in the country from which you are applying. Deadline dates and application requirements for a Fulbright grant will vary from country to country. You must make sure you are eligible to apply. You can log in and out of the application as frequently as you like using your username and password. If necessary, you can reset your password by clicking the "Forgot Your Password" link on the log-in page.

### **Step 3: Complete the application**

You do not need to complete this application in one session. You can re-enter at any time to edit your application. However, once you SUBMIT your application, you CANNOT make changes to it.

To complete your application correctly, please answer all questions completely and carefully. Review these additional tips:

**Please note that Finnish applicants are not required to include TOEFL, GRE, or GMAT test scores in the Fulbright application. However, if you have already taken the TOEFL, GRE, or GMAT test/s, please indicate the examination date and your results on this page.**

U.S. universities/departments/programs have their own test requirements including score deadlines, which you can find on the university websites. Please note that in some cases the university might require your test scores by early November, in which case it is advisable to take the test by early October. Since Fulbright grantee selections are published by mid-September, it is recommended that you start preparing for the tests already before you are informed of the Fulbright selections.

Please also note that if the U.S. universities require you to complete the GRE Subject test, you most likely need to sign up for the test before the Fulbright selection decisions have been finalized. This is due to the GRE Subject test schedule; the GRE Subject test is offered only twice a year. The GRE Subject test is usually required for degree and non-degree students of certain disciplines. Please check if your field of study is listed as a GRE Subject test discipline.
